STUDENT LIFE

There is no wrong side
or right side.

No misery in not being loved,
only in not loving.

I learned these truths myself
to tell them to you now,
as you go sailing through the sun
on your way toward life.

FLOAT COMPETITION SPARKS HOMECOMING SPIRIT

Homecoming 72, Fairytale Fantasy, brought new float ideas for an altogether different approach. The Mighty Seniors won the float competition with the creative idea of Expecting a Victory. The Juniors came in second with Chop'em Down Lions. The Sophomores won third place, and the Freshmen came in last but not least, with Our Lions Aren't Cowardly.

While Freshman, Anitra Heiser gets ready to tool town, Bonnie Ehret, last year's Homecoming Queen, Janelle Yoder, this year's Homecoming Queen, Brenda Corl, Terry Higgins, Queen Candidates, Junior, Sue Mougin, and Sophomore, Kim Ringo keep warm.

JANELLE AND TEAM VICTORIOUS

Captain, Dennis Orsund presents the bouquet of flowers to the newly crowned Homecoming Queen, Janelle Yoder, while Renee cheers the Lions onto a Homecoming Victory.

JUDY HELMINGER CAPTURES CROWN

Jr. Miss, 73 meant a lot of different things to many different people. For Judy, it meant happiness and excitement, for the remaining Jr. Miss Contestants, it was a feeling of disappointment, for some relief. The members of Judy's court were Tina Hunt, first runner-up, and Sis Andrews, second runner-up. The radiant Luz Gonzales, exchange student from Columbia, was crowned honorary Jr. Miss, 1973. Along with the title of Bremen's Jr. Miss, Judy traveled down to state competition in Frankfort, Indiana, and won second runner-up.

**BYE-
BYE BODY
(EXIT THE BODY)**

Where are the diamonds? That's what "Exit the Body" was all about. For a while it was really tight ice but the hero came through again. After holding our breath through the climax, Karen LaFree admits to the whole caper. The cast members were: Bonnie LaFree, Mark Secor, Robin Hardy, Gary Main, Dave Weiss, Robin Perkins, Sis Andrews, Larry Wilhite, and the Culprit, Karen LaFree.

Pot Luck Drama Banquet

Provides Food And Fame

The drama club banquet is a salute to the top-notch actors and actresses in the fields of best actor and actress, best supporting actor and actress, bit part, and Gary Main received a service award from Mr. Sriver. There were also gag awards given to people such as Carla Burket, who received a sequined outfit with matching initialed boots. Mr. Sriver was given a most gratifying award from the departing seniors who had been in several plays. The plaque was a token of their appreciation to Mr. Sriver. The following is a list of the officers and a list of the award winners: Officers — Pres. — Roberta Neidigh; Veep — Don Rader; Secretary — Teri Elliott; Treasurer — Jan Berg; and Historian is Gwen Miller. Award Winners — Larry Wilhite — great contribution to B.H.S. Drama Dept.; Richard Berkey — best bit part; Marian Germann — best supporting actress; Ted Lantz — best supporting actor; Kim Ringo — best actress; Jon Hueni — best actor; and Gary Main — outstanding service award.

STUDENTS PREPARED

Free Form was a very enlightning experience this year. It was also upside-down. Boys were making Italian Spaghetti and girls were changing tires, the students were teachers and the teachers were students. Students learned skills, crafts, sports, and absolutely useless trivia.

***ANNUAL
OLYMPICS
HELD***

The annual Lion Olympics were again held in the B.H.S. Gymnasium and front yard. The Olympics were held at noon to arouse more participation. They took a little longer to finish, but the Sophomores finally ended up as #1. The coveted award for the winners was recognition. Again this year, the Olympics made fools out of Freshmen and even Seniors!

NO, NO A THOUSAND TIMES NO

Boo! Hiss! Yeah! Those were the sounds you heard during the Melodramas this year. Believe it or not the "Villians" were Jim Thayer, Ted Lantz, Richard Berkey, and Bruce Starr. DeAnn Palenik was a half-and-half villian. Now does that sound like a line-up of Blackhearted Scoundrals? The country bumpkin was lured into the trap by the somewhat beautiful gal, hired by the arch-fiend, but as usual the endings were happily ever-after, with the lovers reunited and the villians thrown behind bars.

SATURDAY IN THE PARK

What can you say about the Prom? The comments on the Prom are almost as traditional as the Prom itself. The money was raised by selling magazines, as usual. The Juniors didn't exceed the magazine-selling record, previously set by the class of "73," but they did break all records in setting the Prom up. The class of "74" also set a new record of being the slowest class to tear the Prom down. Some people look on the Prom as too much work, time, and money sacrificed for just one night. Others feel that the time, work, and money were well spent on an evening full of good memories.

***GOOD TIMES
FOR ALL***

WE LOVE THE GOV

Bowen

REPUBLICAN
FOR GOVERNOR

This campaign year was full of Bowen T-shirts, Bowen bumper stickers, Nixon and Bowen, and of course, B.H.S. Swing Choir. The Swing Choir was by Doc's side when he needed them. When Bowen went to the state convention, Swing Choir went also. When Dr. Bowen won the gubernatorial nomination, the victory was not only Doc's, but also Swing Choir's victory over the hearts of the People throughout the state of Indiana.

Again this year, the Student Council elections were between women's Libbers and Male Chauvenists. The elections were landslide victories with the males demolishing the females. The outcome of the elections were as follows: Pres. — Mark Laudeman; Veep. — Terry Graverson; Secretary — Jolene Stine; Treasurer — Rich Verhaeghe; Reporter — Chris Allen. As you see, the outcome of the election wasn't a total loss, with a gal in office.

This year's spring musical was *Oklahoma!* It's been said that the musical gets bigger and better every year, and this year was no exception. Mr. Sriver outdid himself, with the production of *Oklahoma!* There were 66 people in the cast, the largest cast ever on a B.H.S. stage, and rumors were that the production was a total success. The following is a list of major characters:

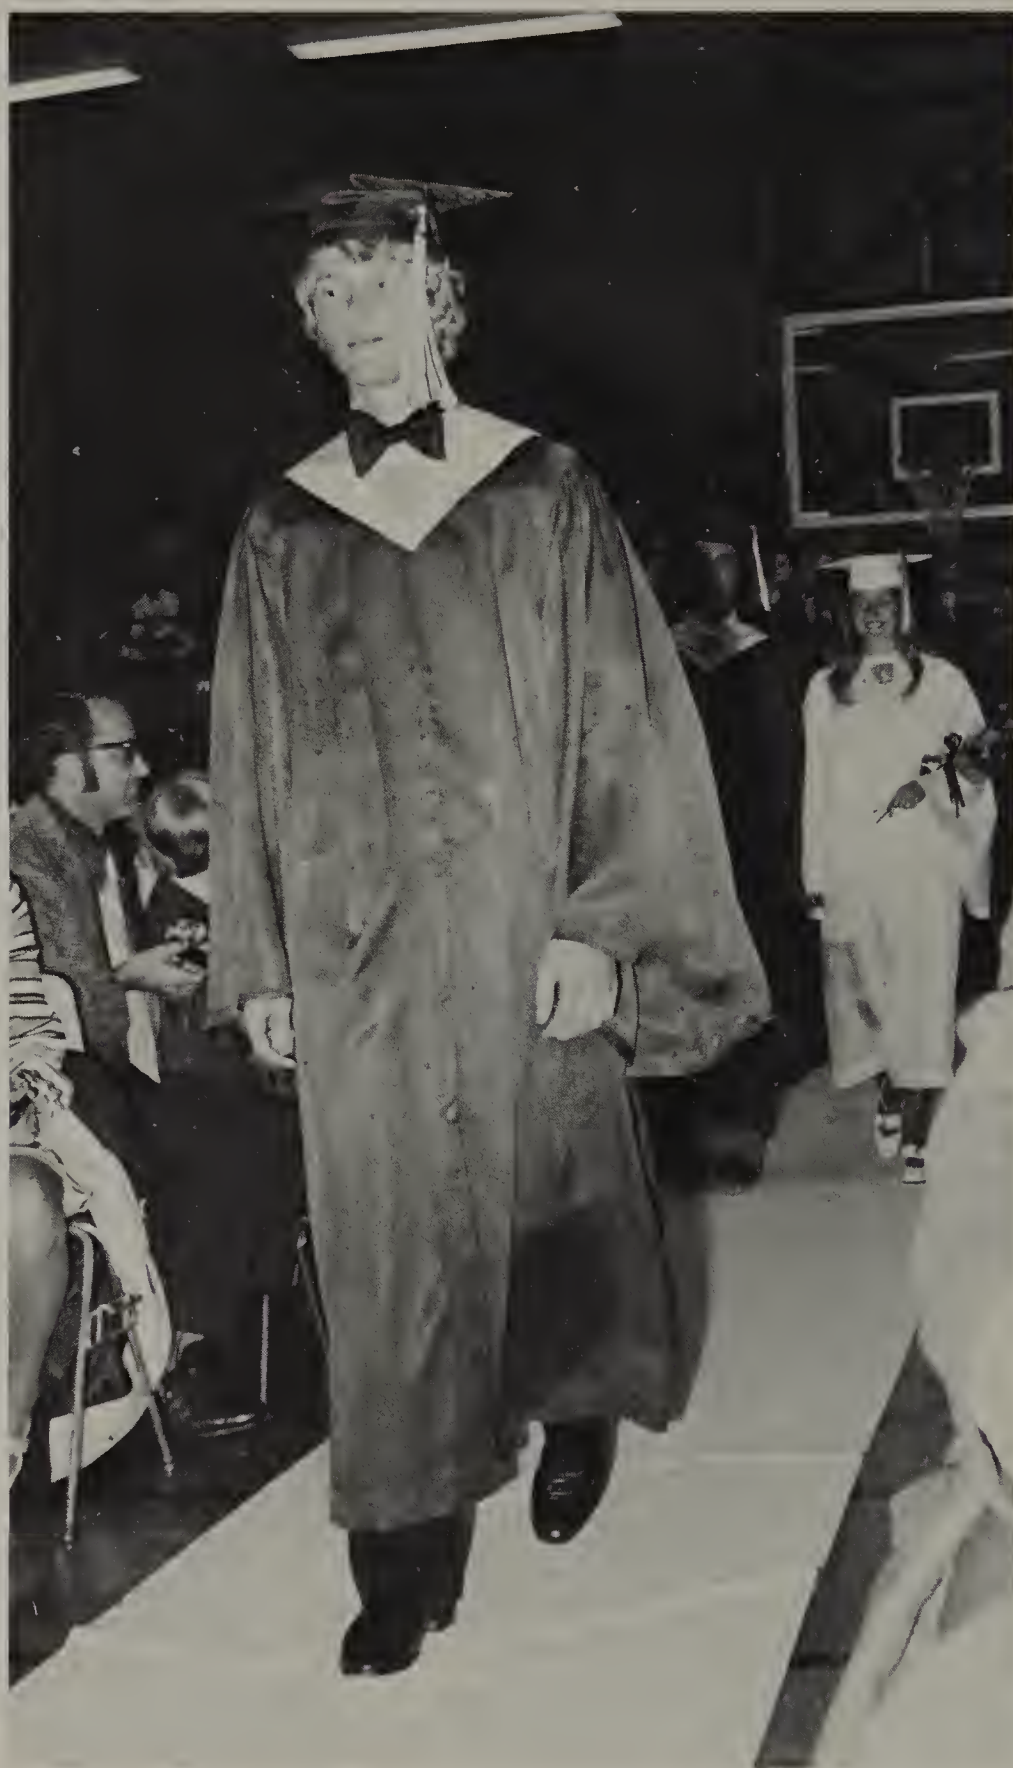

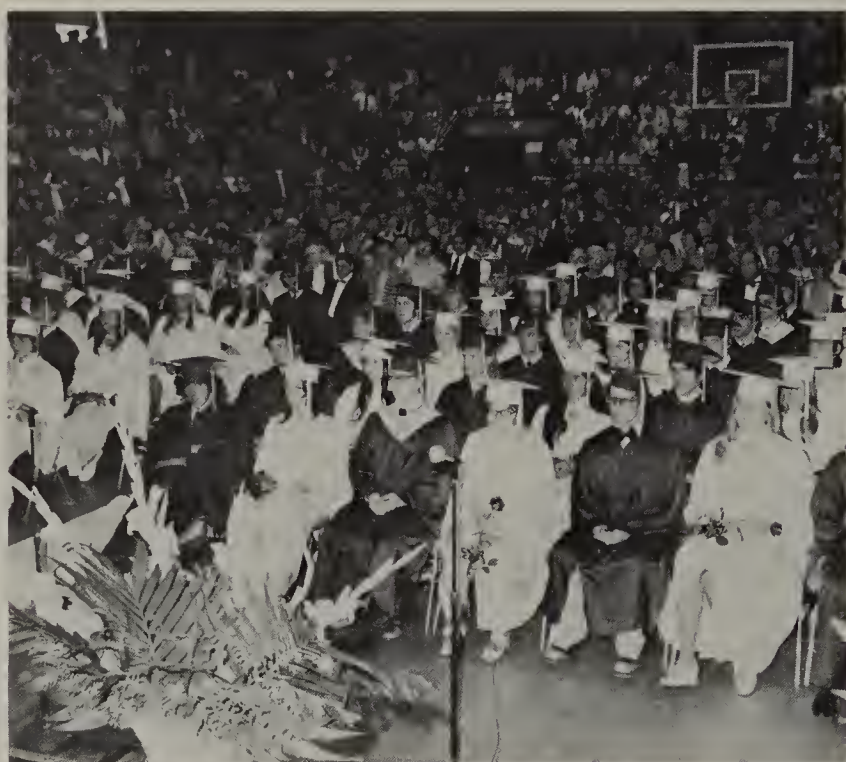

Tom Hueni — Curly
 Kay Cripe — Laurie
 Jon Hueni — Will
 Kim Ringo — Ado Annie
 Marian Germann — Aunt Eller
 Bruce Starr — Ali Haakim
 Ted Lantz — Jud

SENIORS

FINALLY

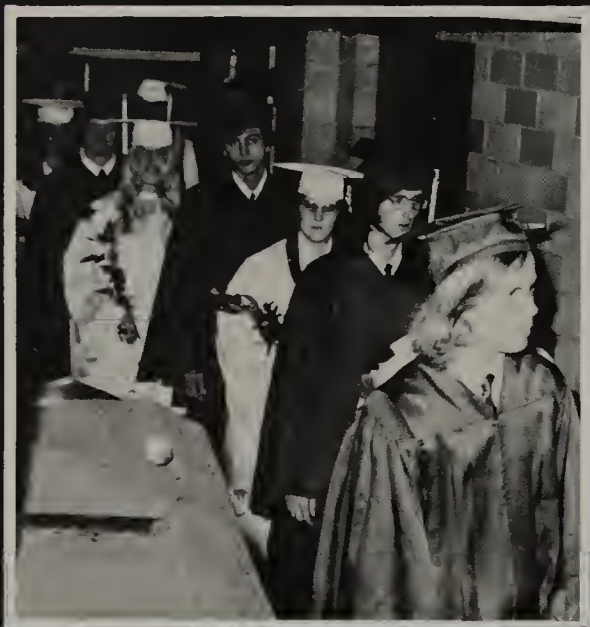

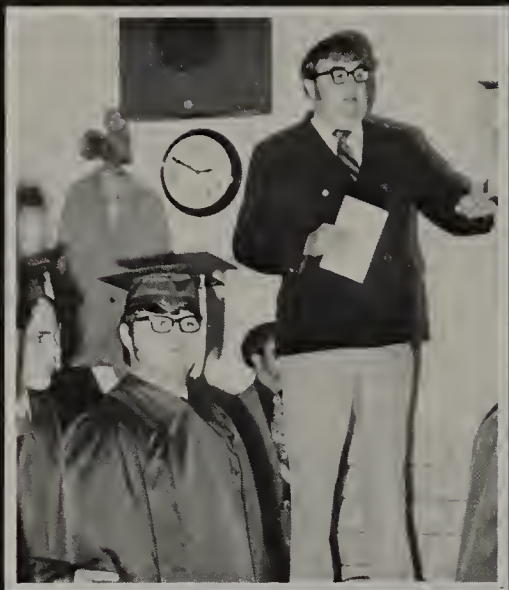

MAKE IT

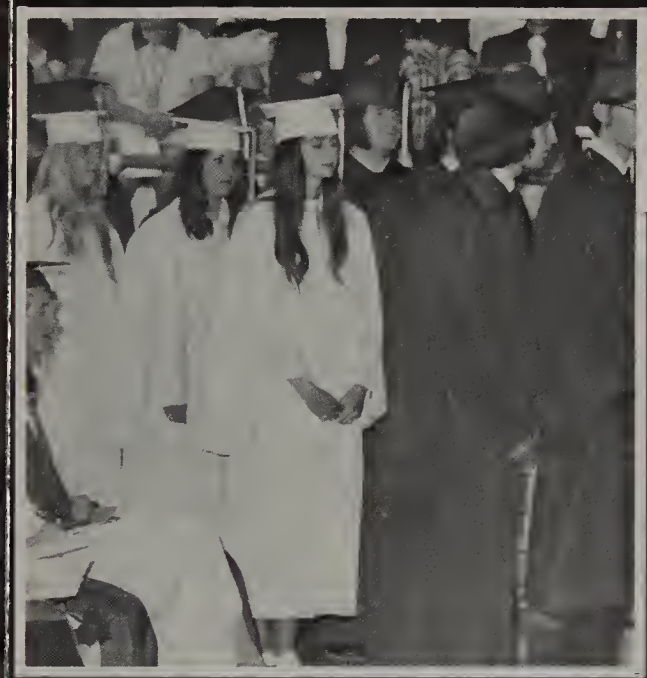

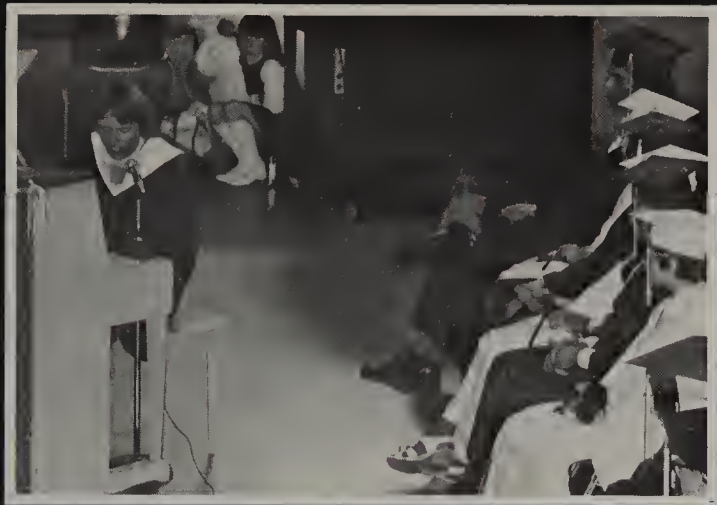

Graduation was a mixture of happiness, sadness, aloneness, and chaotic scurrying. As usual, the class felt a small fear of being cruelly pushed out into the world, but yet they were somewhat anxious about the experiences of going to college, or for some, being married. Although most do not realize it, but this is not the end of a great life, but the beginning of a new life.

ATHLETICS

TO PLAY TO WATCH

It has been said that athletics is the only thing holding society together. This may be true at BHS. Football and basketball games are the only source of entertainment for many of us during the grey days of fall and winter. Baseball, track golf, and GAA entice players and spectators outside in the spring. Even those who don't participate enjoy the home-made spirit signs plastered throughout the school.

FOOTBALL

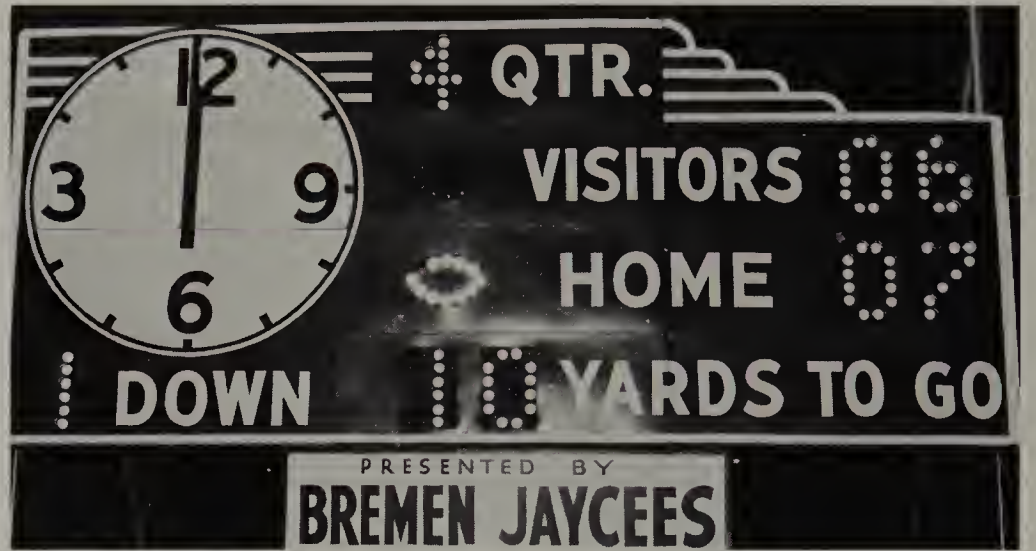

HOMECOMING VICTORY

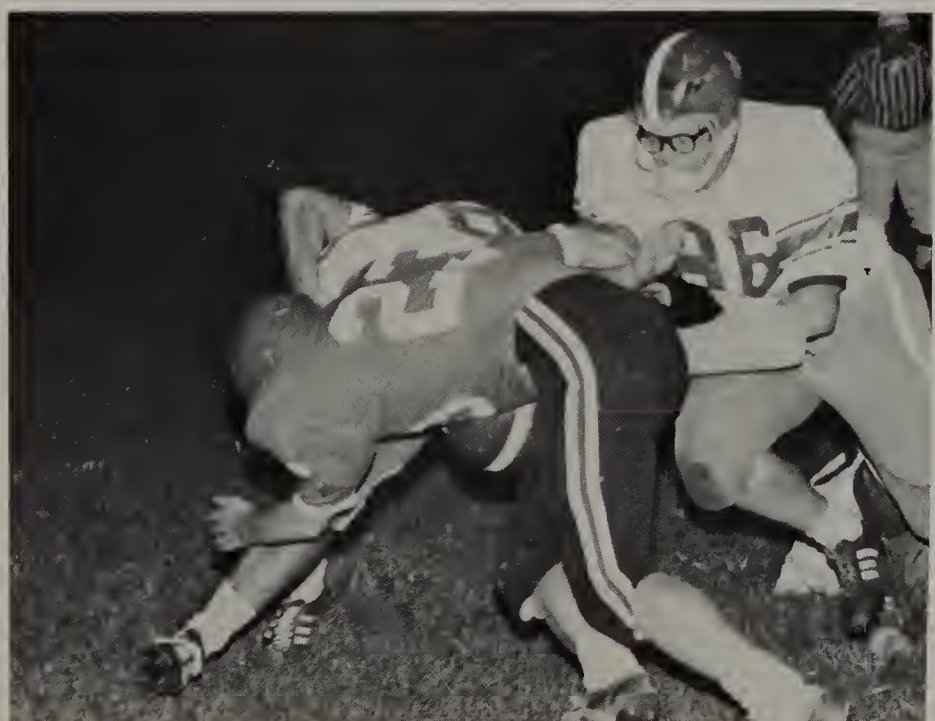

HIGHLIGHTS SEASON

The '72 season will best be remembered as a handful of players playing their hearts out. With only six Seniors and 22 upper-classmen (10-12) the outlook at the beginning of the season was dim. However, the Lions surprised a few teams with sheer determination.

One of the first overtime games in Indiana was won by the Lions, 8-7 over highly-favored LaVille. Another upset was the 7-6 decision over Northwood on homecoming. The Lion defense made a first quarter TD hold up for the victory.

Four out of five ain't bad. Seniors were represented in All-Conference selections by G. Main and K. Sullivan on the 2nd team and M. Schriener and J. Thayer, honorable mention.

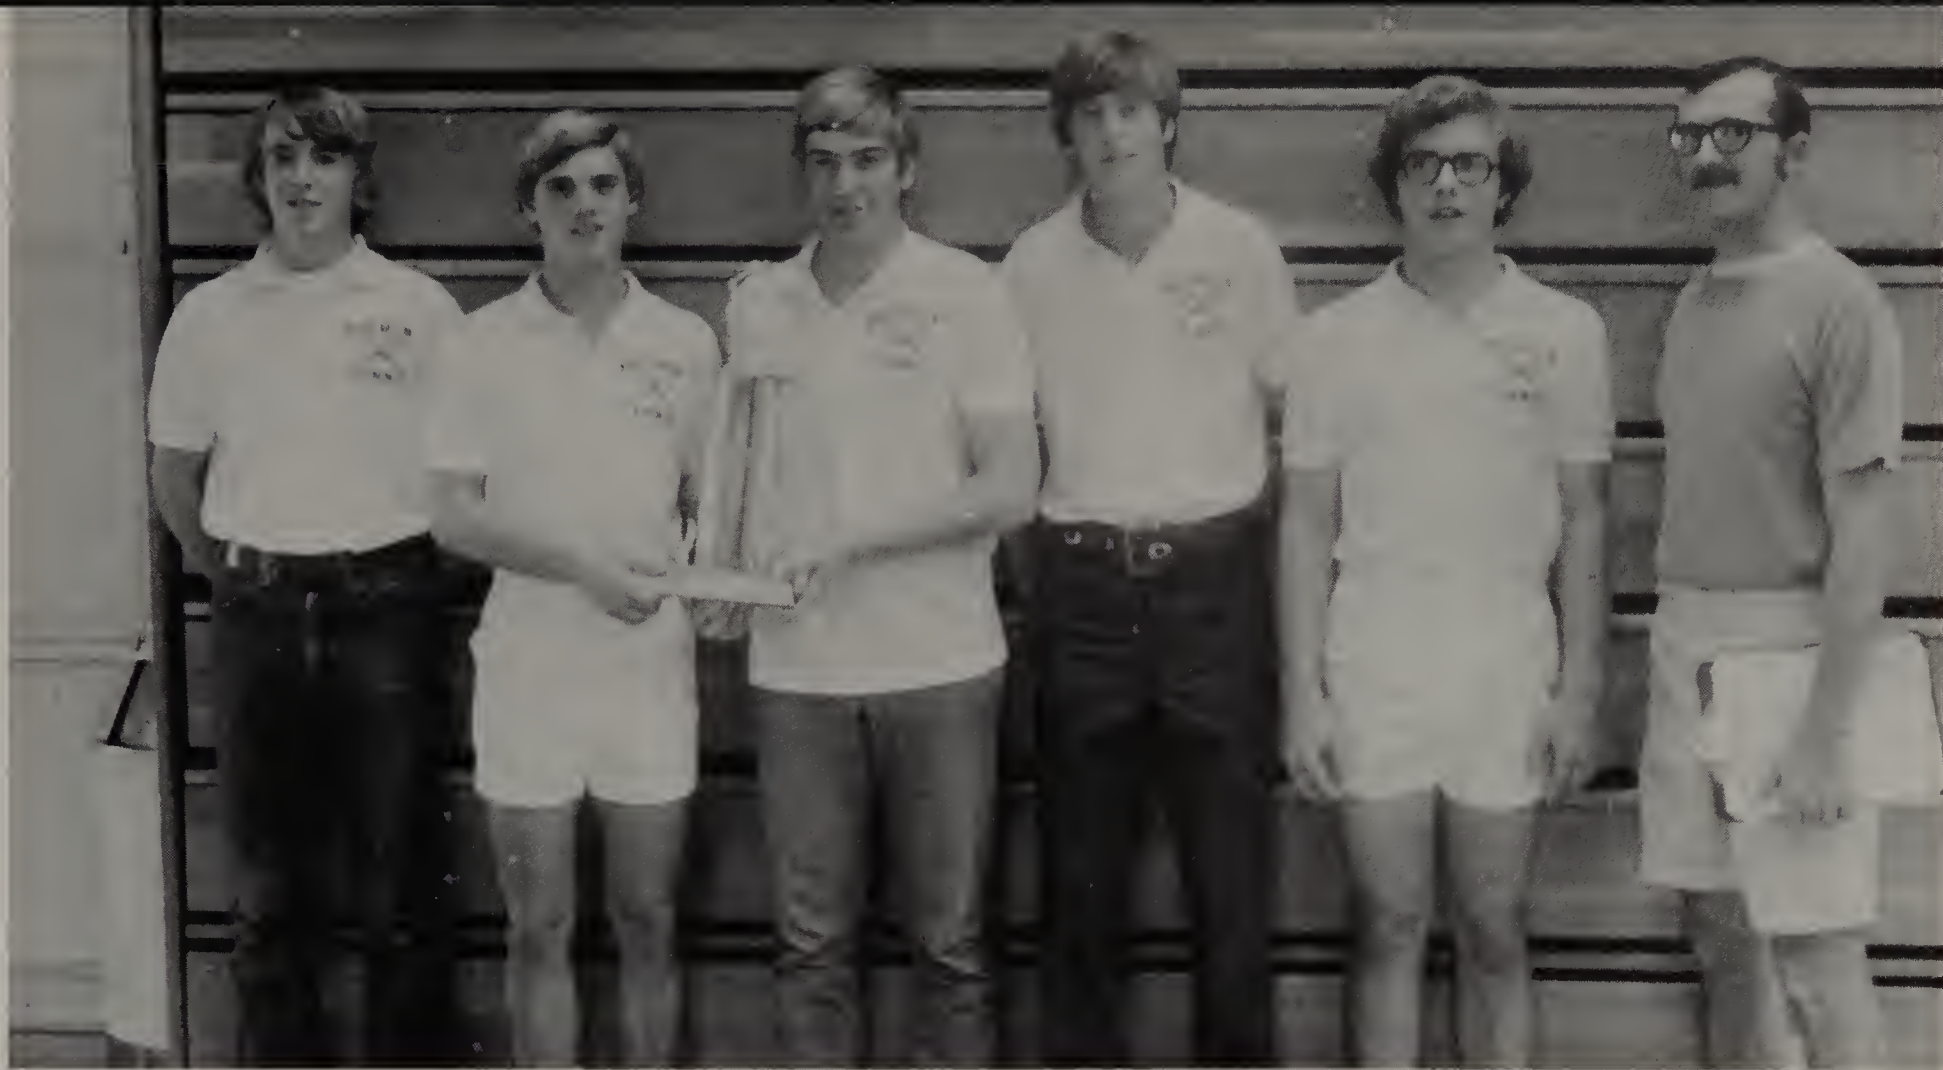

LION NETTERS IN NEAR MISS

Bad luck kept the Lion netters from being NLC champs in 1972. Mr. DeSantis contested the key match with Concord, but a panel of NLC board members gave the trophy to Concord, even though they agreed we were right. Another unusual situation occurred in the tourney. If Jack Husmann had lost his last match in the tourney, the Lions would have still won the tourney and tied for the overall crown. However, Coach DeSantis decided not to tell Jack to blow the match and he ended up winning. In doing so, Concord won 2nd in the tourney and won the overall title in the controversial point system.

Jon dazes another opponent while Tom's steady backhand is slowly driving his opponent crazy. The lower right is Jack cracking a serve. (Pretend you don't see the foot fault). On the previous page, Robin attempts to psyche his man out.

Jon Hueni was Bremen's first-ever sectional winner in tennis. He advanced to the regional finals before losing to the eventual state champion. Other individual accomplishments were: J. Hueni — No. 1 singles and No. 1 doubles champ in NLC
G. Border — No. 3 singles champ
J. Husmann — No. 4 singles and No. 1 doubles champ
R. Hardy — No. 5 singles champ.

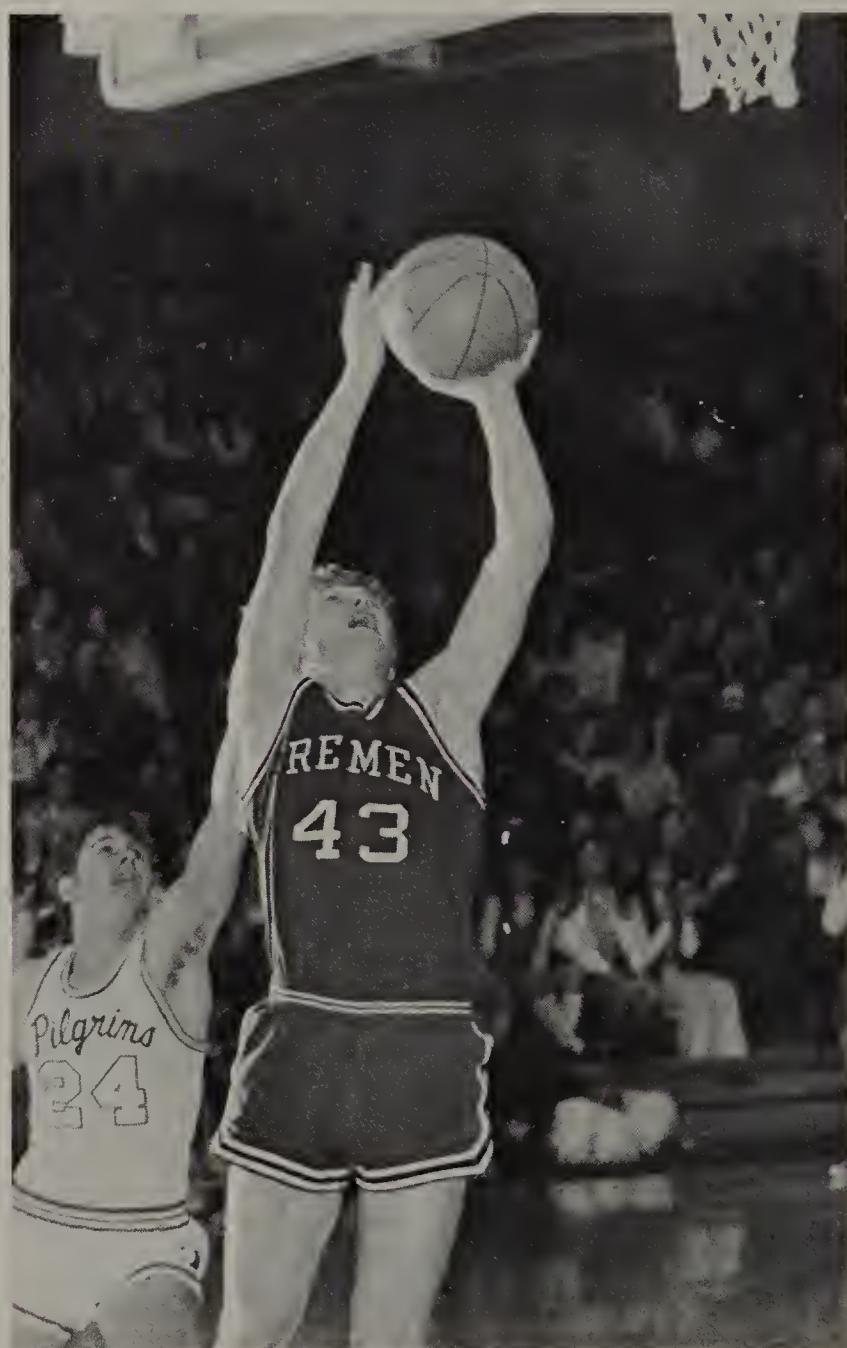

BASKETBALL

LIONS START FAST IN REBUILDING YEAR

The Enquirer totaled up the season by saying, "What can you say about a basketball team that died?" It wasn't really that bad, but many fans were disappointed. After a fast start of three straight wins, the team ran into stiffer competition, and, while not really playing badly, still lost. The season gave good experience for several underclassmen, however, and this makes next year look brighter.

Eric flattens a Lancer as Kerry dances with one. Ernie eludes a Pilgrim for an unmolested layup. (How come the scorecard reads 43 — J. Thayer?). Bottom left finds Glen in a tight spot — as usual.

B-Team and Frosh Show Improvement

The Freshman and B-Team basketball squads, while not having winning seasons, none the less gained valuable experience against stiff competition. In the next couple of years, we hope to see the experience pay off. High scorer and rebounder for the JV's was Ken Baker. The Freshman top scorer was Mark Seldenright with 211 points for a 12.4 average.

The '72 Cross-Country season was one of Bremen's most successful ever. The course was changed from Sprig-O-Mint Golf Course to Donnybrook and was lengthened to 2½ miles. (Who would think that 2 miles wasn't long enough?) Anyway, the top runner for Coach Nierste's harriers was Jim Martin. He set a BHS record of 13.53 for the Donnybrook course. With only two of the runners graduating, Coach Nierste should be smiling a lot next fall.

The BHS grapplers completed their season on a winning note in "73" by taking home 4 winners in the sectional. Rick Keyser and Tom Hueni took firsts and Gary Main and Mike Hassel finished second. Gary also finished his season with a 20-2 record and a first place in the NLC tourney. One of the most exciting moments in the season was at Northwood where Mike Koontz came through with a pin in the last match to clinch the match for the Lions.

INTRAMURALS LACK ENTHUSIASM OF PAST YEARS

Intramural sports never did get off the ground as well as Steve Miller did above, but there were still several participants and a few exciting moments. Winners of the bowling league tourney were Mark Secor and Bill Young in the doubles and Al Barts in the singles competition. The winning team was captained by Bill Milleman. Earl Scarberry also monopolized the honorable mention award given each week.

In the still disputed volleyball league, the Juniors were declared winners with a 6-0 record. They never did play a make-up game with the Seniors, but claimed the crown because the Seniors had one-loss. In basketball, the MoFo's, led by MoFo himself, defeated the Sober Seven in the tourney championship.

CINDERMEN SPRINT TO TITLES AT THE TWO RELAY SITES

Track 1973 was a season of the unexpected: unexpected victories and defeats. The Lion tracksters surprised many by taking the Concord and Rochester relays, but lost several dual meets as well as placing a dismal 6th in the Conference. The Senior lettermen, Gary Main, Dennis Guard, Kerry Sullivan, Robin Hardy, Ted Lantz, and Eric Manges, provided leadership and laughs for the squad. Several school marks fell this year as the rumor of Coach Bunge and Nierste's retirement lingered over the team. Gary Main upped the pole vault mark to 13' 8 $\frac{3}{4}$ " and Kerry Sullivan, Robin Hardy, Dennis Guard, and Steve Manges lowered the mile relay standard to 3:31.1. However, the most exciting performance in BHS track history occurred in the county meet, the Senior's last, as Hardy and Sullivan clutched hands as they crossed the finish line in a deadlock at 1:59.8, a school record.

The BHS golf team finished nearly .500 this year despite playing with only 1 senior. The season was highlighted by a second place finish at the county meet, losing out to an extremely tough John Glenn team. Low average and low putts both went to Number 1 man, sophomore Lon Kipfer.

Due to no fault of their own, the Lion baseball team started slowly by losing 7 of their first 8 games. Other area teams start their regular season at the end of March and play nearly 20 games before the Lions open up. With this added playing time, it's nearly impossible for the Lions to compete for the first few games, until they get used to playing conditions. After the Lions got into the groove, they took 2 of their next 3 games to up their record to 3-8.

AT LEFT: Bill Cannon fires a pitch on the way to a no-hitter during the Lions' first victory.

SENIORS

What is a Senior? He's the one who starts the class yells at convocations. He's the one you might find tooling town, TP-ing his favorite teacher or studying for a Government or Econ. test. Many times in a group he may allow his youth to show but if you consult him on an individual basis, you'll see why he is called an upperclassman. If all this sounds a bit unmodest, question those who worked with them, taught them, and shared a small part of their lives. They just might tell you that this year, the Seniors are truly special.

MIKE WILHITE

The time has come,
pretty soon I'll have to go
back to my country, Colombia, but I'll
have lots of things to
remember. A whole year at Bremen High
School is something impossible
to forget. I want
to give special thanks to you
teachers at Bremen, because you were not
only teachers to me,
you were also my friends.
It is impossible
to thank you students for making
me feel so welcome here. I think that
by living with two
different families, I got
a better idea of what life is really like
here.
Thanks a lot to the
Dinkeldeins and the Wilsons for
their kindness. Thanks again to
all the people who in one way or another
made this one of the happiest experiences
in my life . . .

Con afecto:

*Luz Zarydee
Gonzalez.*

J. D. (JOHN DOWNEY)

HEY FRIEND, GOT A MINUTE?

One of the neatest things about living is: people. It's only when we reach out to others, that we can finally begin to understand who we are and what we're here for. Isn't it true? One of the best things around this school is the people; you're friends. School would get pretty dead if your friends weren't here to make it come alive for you. If we had to live in a world of people who just didn't give a care, life wouldn't be worth the living. You have to make the beginning; you have to get the ball rolling.

Yet there are going to be times when people fall through; let you down. Sometimes it will get tough, and you'll wonder if anyone's for real. In the introduction, Ted and I left a message. It's about a Friend who can't let you down. Curious? Flip to page 17, and I think you'll understand what we're talking about.

We've got to say thanks to the greatest rookie staff we've ever worked with; they've come through with a great book. (Let me say that we are a couple of 1st time editors ourselves!). Ah yes, and then there's that greatest rookie of all time: Mr. Downey! Although it was his first time around, he came through with flying colors. He kept us on our toes all right; who wants an F? Truthfully, he was a terrific advisor, and we commend him for providing guidance and inspiration to the staff. To Steve Prince of the Bremen Enquirer, we say, thank you three times (as promised) for your contribution to the Sprig. Mr. Prince came in with many well executed shots to save our final deadline; not to mention all the other times his pictures got us out of a bind. Also, we want to thank Mr. Wiebe of Accent Photography for supplying all our film and developing needs. He also shot many of the pictures used in the book. John Sauter; ace photographer, also shot zillions of pictures that made our book a reality.

But most of all, thank YOU for being a part of our lives here at BHS. You are the ones who left those marks on our hearts that will never leave us. This book will help us remember *our* time together . . .

Norman and Ted
